> dont read this article for the car. read it for jeremys writing. words like - flying across gods breakfast table... etc etc... read it. approved. article by jeremy clarkson of the sunday times.

... **this OTHER article reaches levels of pure classic genius** : ..."And why do I have to have a cockpit the size of the Great Court at the British Library just because a fat slob in Ohio can't get a seatbelt round his corn-fed gut?" now this is good writing.
